

Before and After, Side By Side Program

September 26 General Meeting

Last March we presented this program to the Club and we had outstanding participation on the part of our Membership! We will be doing the presentation again at our September General Meeting.

You, as a member, can go to the [upload website](http://ccoh.bedells.net), (<http://ccoh.bedells.net>) and retrieve six different images that have been offered by other members in the Club. These are unedited images that are just begging for your creative attention! You will be allowed to submit 3 edited images. It can be 3 of the same original image but edited differently, or 3 separate versions of different images.

On the night of the meeting, each of the original six will be displayed on one screen while we bring up individually your edited versions of that original on a second screen. You will have the opportunity to talk about your editing technique and share your thoughts about the image.

You can upload the originals as of August 17 and your deadline for submitting your edited images is midnight of September 17. Follow the directions on the upload site as far as naming and sizing the images. You will send them to Peter Jones at pjones42@bellsouth.net.
