### **Alternate Forum Subjects**

Each Forum has an alternate category, in addition to the usual categories that are listed on the [website](#) under "Photo Forums."  
Upcoming alternate categories are:  
April: "Abstracts"  
July: "Action"  
October: "Still Life"

### **Elda Lepak and Pat Schroeder are the new snack coordinators.**

Thank you for stepping up to the plate, Elda and Pat! They will still need helpers each month to bring snacks to keep the groaning board filled.

*"Woodpecker" by Pat Roshaven*

### **Mrs. G and Me Photo Hanging**

is the same day as our next Club meeting, April 27. If you signed up for this, your photos need to be delivered to Ron Anderson at 1107 Citation Circle, Hendersonville, by 5 p.m. Monday, April 26. Phone 698-6701. Guidelines were sent out by email on April 8, so check your email. Mrs. G and Me is at 502 N. Main St., Hendersonville.

### **Dane Wright Event**

Club groups attended demonstrations at Mountain Song Gallery in downtown Hendersonville on March 30th and April 6th. Dane Wright, owner, presented a thorough program explaining the printing process from beginning to end. Bob Baker and Jan Tenderholt won free canvas prints. Thanks to Dane for a great job!

### **Our Web Page**

If you lose track of what the Club is up to, our web page has a calendar of events, past newsletters, Forum guidelines, and more "Tips." Thank you to Dave Winnett for keeping our web page gorgeous and up-to-date.

### **March Meeting**

Ron Anderson and Warren Bedell gave an excellent and thorough outline of the photographic process, from f-stops and exposure, to how to creatively photograph waterfalls and sports events. A record crowd attended.

Ron and Warren have made their slides from the March meeting available to us on the Club's [web page](#). Go to "Tips" in the left margin.

### **Picnic at Holmes Forest**

We are having a joint picnic with the Land of Waterfalls Camera Club of Brevard on Sunday May 16th at the Holmes Educational State Forest on Crab Creek Road at 1.00 pm. Please put this on your calendar and further details will follow.

## Show and Tell Programs

We would like to continue "Show and Tell" programs, but want to let you know that the "Tell" part is just as important as the "Show." The "Tell" part is meant to be a critique, with Club members giving a critique, rather than an invited guest, as we have at the Forums.

In the next "Show and Tell," please have questions ready to ask the audience so they have an idea of what you would like to know about your photograph. The remaining "Show and Tells" for this year are June and September.

## Apple Festival

Our Club has been accepted as a vendor for the next Apple Festival, to be held September 3-6 in downtown Hendersonville. Typically, Club members who want to sell their photos staff the booth, share the costs, and bring all their photos fit to sell.

*"Rising and Setting" by Joe Bester*

**For the next meeting, prints should be received at The Blue Ribbon Framing store on Kanuga Road by 2.00 pm Saturday April 24th. Digital images should be e-mailed to Peter by midnight on Saturday 24th. [pjones42@bellsouth.net](mailto:pjones42@bellsouth.net)**
