

Needful Things Field Trip Wednesday, October 13, 2021

**Trip Location:** Needful Things Antique Store, 10 Francis Road Hendersonville (just across the bridge on Route 64 at the Hendersonville exit on I-26.. approx. ½ mile on the left).

**Time and Place:** The meet-up point will be in the Needful Things parking lot at 10:00 AM, and shoot until 12 noon. Afterward, (Covid situation permitting), we can have lunch at the El Paso Restaurant which is on the other side of Route 64 on Sugarloaf Road (next to the Best Western Inn)

**Description:** Needful Things is an antique store with an unusual collection of items ideal for both regular and macro-photography. Lighting varies from incandescent to fluorescent, so a flash is helpful. The store covers 20,000 sq. ft. on 2 floors. Most of the items are indoors.
